HALLOWEEN IS UPON US / October 9th through 12th, 2026

All seasonal renters and GROA owners, along with their limited registered guests, are welcome to enjoy our activities. ONE WEEKEND ONLY this year!

RENTERS: If you are having visitors this weekend, they must park their vehicles on your lot, if you do not have room, there will be free additional parking available in the front pasture by the Welcome Center.

If you are having your guest(s), camp on your site (on your site only), there is a charge of $45.00 per camping unit per night and it is a 2-night minimum for the Halloween event. All other guests must sleep in your unit and cannot be an owner or member of GROA, GROA owners have the ability to participate if they pay

GROA OWNERS: Halloween passes are available for $75.00 per family (maximum of 2 adults & 4 children). Remember the covenant states that you are not allowed to have guests camp on your site.

Just like last year, we need to identify guest vehicles within the park. We must have the drivers' first and last name, license plate numbers (Alt driver's license numbers), who they are visiting (section/lot and last name), and the dates they will be in the park.

Renters may purchase temporary guest proximity access cards for your guest at a cost of $5.00 each and there will be an additional $10.00 fee for each card not returned, by you being liable for the cards we do not have to require credit card information from your guest (we already have your information and a way to contact you). Of course, you can let them in and out using your own access card. Regardless, the guest must have the "guest car hang tag". It's FREE. **Remember to tell your guest that wait for you, to stay to the right, and not block or bottleneck the gate area. The best place for them to wait is the Welcome Center parking lot.**

The above information is needed in advance (no later than October 4th)
so we can issue and you can receive the necessary wristbands, pumpkin, haunted hayrack tickets, guest car rearview mirror hang tag and if you want the guest gate access cards. Once the weekend begins, while you can pick up at the Trading Post what was pre-requested, NO additional or new requests can be processed, so you will be out of luck and these will not be available at the Guard Shack.

Remember to receive the pumpkins, you must have a ticket (1 per ticket) and the child must be present.

You may email us the information to info@glenwoodrvresort.com (please allow 24 hours for processing) and pick them up at the Trading Post or stop by the Trading Post within the hours listed below with the required information and pick up the Halloween items. You must have identification, as the person working the Trading Post may not know you.

Our staff may not be in the Trading Post, but doing other things in the area; therefore, if you call 815-431-9199, at least 10 min before you can meet us at the Trading Post, they will meet you there if available or offer you another time. There is a free phone on the deck of the Trading Post that you can use to call us.

Our available times and dates for meeting at the Trading Post are as follows

Weekends of October 2rd – 4th **On Fridays** 2 - 3 pm & 7 - 8 pm / **On Saturdays** 10 to noon & 7 - 8 pm / **On Sundays** 11 to noon

One of the main controls both GRI and the GROA uses to monitor and control trespassers is the issuance of both auto and golf cart stickers/permits and guest passes/hangtags along with the requirements of proper identification on Golf Carts. Individuals will be identified using individual wristbands.

IDENTIFICATION, (your section and lot number), and permits on Golf Carts are required for Renters, Owners, and Guest(s). For Renters 2026 golf cart permits are still available at the Trading Post, you must bring in a copy of your current insurance, and your cart must be properly marked with the lot and section.

Anyone who has the right to be on our property, which includes the valley road, with a golf cart or car that does not display the proper identification or sticker/permit, is subject to a $100.00 fine and loss of privileges. As before, for our Halloween Weekend, to identify who has the right to be there, we will be issuing individual wristbands for you, your children, and guests to wear at all times.

GROA owners can participate **only if they pay**.
The flyer for this weekend is available at the Trading Post, or request one by return email.

On the back of this page is the form you can use to register and identify your guest
